*Protecting, Defending and Promoting the Family,  
the building block of society*

## ***Pledge to Protect, Defend, and Promote the Family, the Building Block of Society***

*I pledge to protect, defend, and promote the family by working to abolish abortion, to oppose the unfruitful homosexual/LGBTQAI+ movement by affirming that there are only two genders (male and female), by opposing the gender confusion and gender mutilation to create the illusion of the fiction of "sex change", by recognizing that marriage is between a natural man and a natural woman as a lifetime covenant, by fostering a culture that sees children as a blessing, and by acknowledging that rights are God-given and that the state has no right to infringe upon those rights which God has granted to the individual as the one true judge and lawgiver to Whom all must give an account.*

*Furthermore, as a candidate for public office and, if elected or appointed, as a public official, I pledge to protect, defend and promote the family so that I can help rebuild a culture of life, freedom & responsibility, marriage and family, and prosperity; and I will uphold my oath of office, the US and Texas Constitutions, especially the Bill of Rights, and fulfill my duty to protect life, liberty, freedom of speech, religion, conscience, legitimate defense, and acknowledge & uphold the true nature of marriage and the family, to protect and foster them, to safeguard public morality and safety, and promote long term domestic prosperity in the City of Saint Anthony, Bexar County, and the State of Texas so that each person can pursue actual and lasting good health.*

*Specifically, I commit to voting against Proposition A (CoSA Municipal Election, May 6, 2023) and will stand against it and similar matters that seek to fundamentally transform our community and society. I commit to repealing these City policies: Unplanned Pregnancy Services and Domestic Partner Benefits (2011), abuses of the Hotel Occupancy Tax, PreK4SA (2012), Non-Discrimination Ordinance (2013), Adolescent Healthcare Ordinance (2014), Abortionist appointed as the Local Public Health Authority (2017), Compassionate City Charter and Paris Climate Accord Resolutions (2017), Climate Action & Adaptation (2019), Ban of Chick-fil-A from Airport Concessions (2019), Disaster Declaration shutting down Houses of Worship (2020), Edwards Aquifer Protection Tax transfer to Workforces Solutions Tax Transfer to VIA Advanced Rapid Transit (2020), Racism is a Public Healthcare Crisis Resolution (2021), Abortion Resolution (2022), and Legislative Agenda (2022).*

*Likewise, I commit to restoring the City Charter's original Referendum Initiative, Six Flags of Texas in City Council Chambers, City's historical monuments, Columbus Day, the Christmas Tree, and the like.*

*Moreover, I commit to conduct myself virtuously and with a code of honor that I will not lie, cheat, or steal and will not tolerate the actions of those who do.*

*Additionally, I commit to sponsoring and supporting legislation, like those issues above, that promote pro-family principles and values and will maintain an open-door policy to dialogue with pro-family organizations like the San Antonio Family Association (SAFA).*
